

# International Award in **Train** the **Trainer**

Most organizations hire subject experts as trainers for their organizations. However, effective training also requires knowledge on techniques that help to transfer that knowledge effectively.

A trainer needs to know how to organize that knowledge, properly present it in a variety of formats for students who have different learning styles and preferences, and talk about the topic in a way that the students can understand and learn from. Train the trainer training can help you do all of those things, and more.

The programme aims to reflect the International nature of the Knowledge, skills, tools and activities needed for different countries, cultures and industries.
